Gentlemen:—

The French Department of the Seward Park High School is arranging to hold a French Exhibition in our new building during the first two weeks in May. We are anxious to secure a variety of French realia,—pictures, coins, stamps, art objects, magazines, mementos, costumes, etc. This exhibition is planned for our 5,000 pupils and will serve to enhance their interest in France and things French, and their enthusiasm for "la belle langue." Any material that you would see fit to send—or loan—us will be gratefully acknowledged and appreciated. All our material will be shown under Faculty supervision and preserved with utmost care.

Awaiting the pleasure of an early reply, and thanking you for whatever attention you will give this matter, I am

Very respectfully yours,
Louis J. Feldstein

Dear Sir:

In reply to your request of the 2nd, I regret to inform you that it is against our regulations to lend exhibits to other than Museums. I am sorry, therefore, that we cannot comply with your request for the loan of some French coins.

Very truly yours,

Curator.
